

Help Us *Prepare,* Help Us *Respond.*

Each year, Red Cross volunteers help millions of Canadians prevent and respond to small and large-scale disasters.

Volunteers play an important role in educating communities about how to be better prepared for all emergency situations.

We are looking for dedicated, enthusiastic and compassionate volunteers to join our Disaster Management team. Join our team today and help us help those in need in our community.

Are you any of the following?

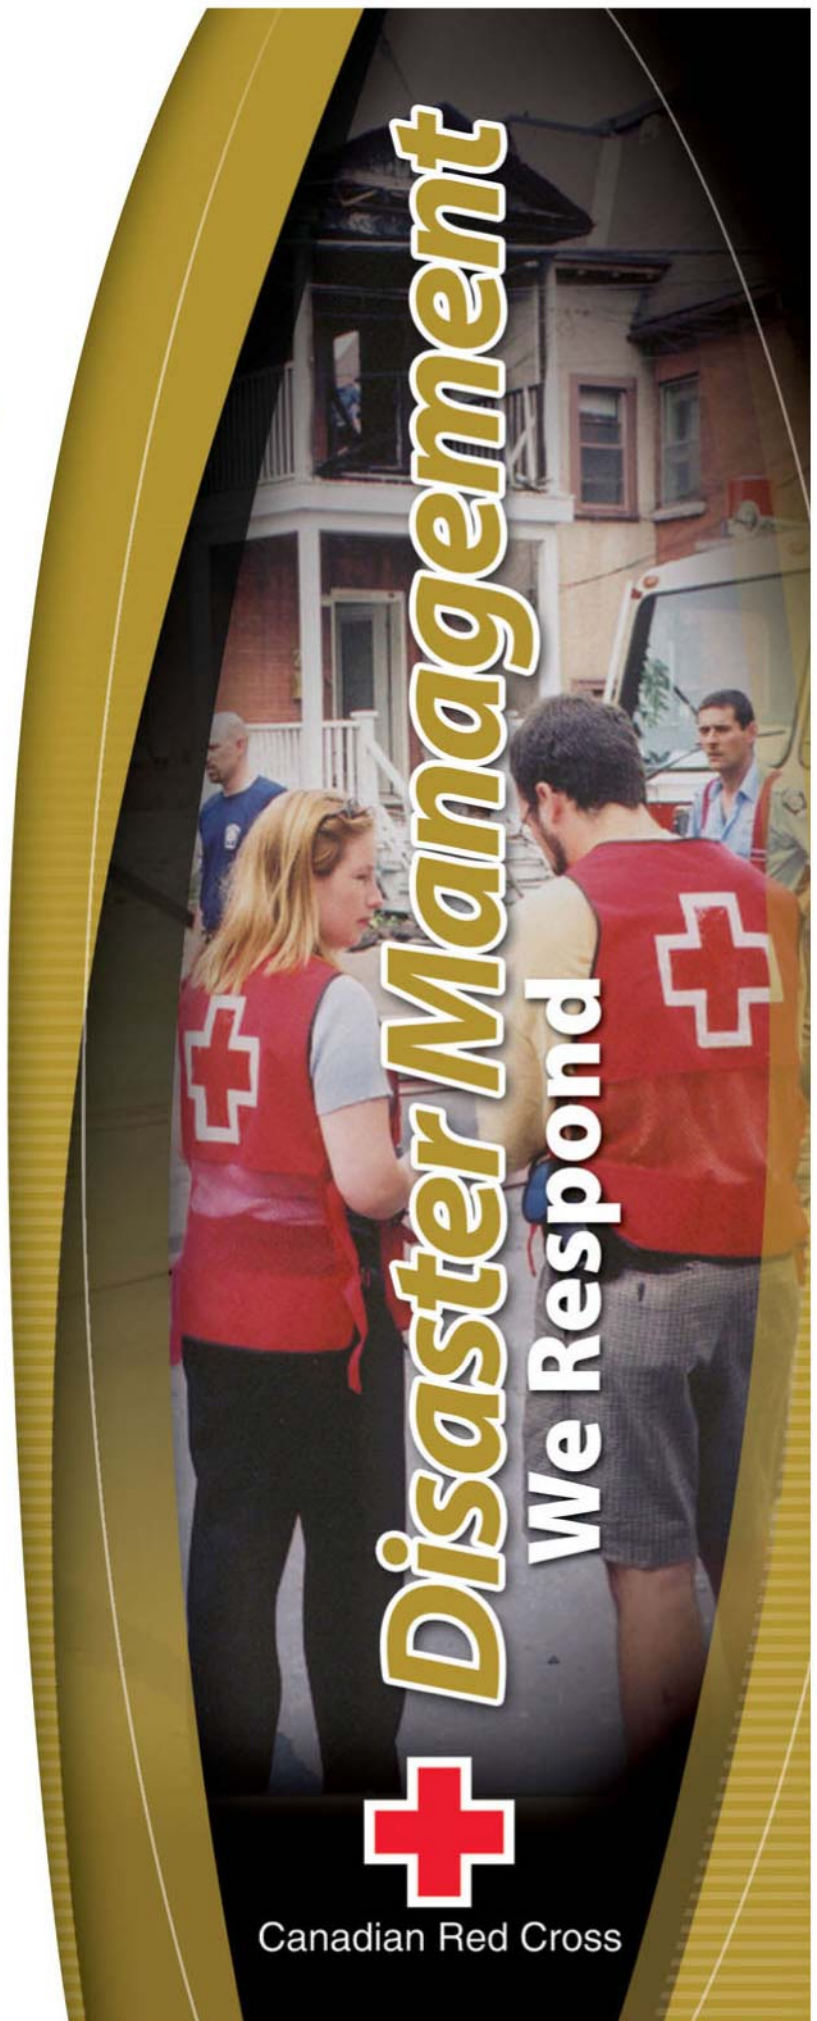

- A person who likes making a positive impact in your community?
- Someone who enjoys learning new skills and being challenged?
- A leader who knows how to work with a team and explore new opportunities?
- At least 18 years-old or older?

If so, consider joining our team. As a Canadian Red Cross volunteer you will:

- Provide assistance to victims of personal disaster, such as a house fire
- Respond and provide for people's immediate needs when larger emergencies like flooding, blackouts and storms affect your community
- Educate people about disaster preparedness through community presentations and workshops
- Be a member of one of the largest humanitarian organizations in the world

Make a difference.
