

THE CORPORATION OF THE TOWNSHIP OF NORTH FRONTENAC

BY-LAW #39-10

Being a By-law to repeal By-laws #80-09 and #97-09 and to enact a By-law to establish, maintain and regulate a system for the disposal of Municipal Waste, Recyclables and other Refuse.

WHEREAS the *Municipal Act S.O 2001*, Chapter 25, Section 11(3) authorizes the Council of a local municipality to pass by-laws for establishing, maintaining and operating a waste management system;

AND WHEREAS the *Municipal Act S.O 2001*, Chapter 25, Section 127 authorizes the Council of a local municipality to pass by-laws prohibiting the throwing, placing or depositing of refuse or debris on private property or on property of the municipality or any local board thereof without authority from the owner or occupant of such property;

AND WHEREAS *O. Reg. 244/04*, Section 4 authorizes Council of the local municipality to impose fees for the disposal of waste and recycling of waste materials within the municipality;

NOW THEREFORE the Council of the Corporation of the Township of North Frontenac deems it expedient to enact a by-law that reflects the provisions of the current provincial legislation and protects the ecological well being of the Municipality as follows:

1. Title, Scope and Definitions

1.1 Short Title

This by-law may be cited as the “**Waste Disposal By-law**”.

1.2 Scope

1.2.1 The provisions of this By-law shall apply to all persons, lands, structures and uses within the boundaries of the Township of North Frontenac.

1.2.2 No person shall dispose of, or cause to be disposed, any waste, refuse, garbage or recyclables except in conformity with the provisions of this by-law and schedules annexed hereto.

1.2.3 This by-law shall not be effective to relieve, reduce or mitigate any person from compliance with any provision of the Public Health Act or Environmental Protection Act or any regulation or order prescribed by the Medical Officer of Health or the Minister of the Environment.

1.3 Definitions

For the purpose of this by-law:

- 2.5.2 No unauthorized access to the Waste Disposal Sites shall be permitted when an attendant is not on duty.

2.5.3 No person shall trespass on the Municipal Waste Disposal Sites except as is required to transfer material to the site in accordance with this by-law.

3. General Provisions

- 3.1** No person shall dispose of, or cause to be disposed, waste at the Municipal Waste Disposal Sites that originates or is generated from a location or use outside of the municipal boundaries of the Township of North Frontenac with the following exception:
- 3.1.1 Taxpayers of the Township of Addington Highlands are authorized users of the Cloyne Transfer Station, which is jointly owned by the Townships of Addington Highlands and North Frontenac and administered by the Township of North Frontenac. Authorized persons may dispose of, or cause to be disposed, household waste and Blue Box recyclables only at this site from a location or use within the municipal boundaries of the Townships of Addington Highlands and North Frontenac.
- 3.1.2 An exception will also be made for persons with written permission from the Chief Administrative Officer (CAO), Public Works Manager or their designates.
- 3.2** Persons shall dispose of permitted waste at the Waste Disposal Sites in accordance with the directions of the Waste Disposal Attendant and in accordance with the provisions of this By-law.
- 3.3** All household waste to be disposed of at the Municipal Waste Disposal Sites shall be in a bag or other acceptable container in such a way to prevent scattering on the site.
- 3.4** Waste being transported to a Municipal Disposal Site shall be so contained so as not to be blown or scattered from the transport vehicle or to leave deposits along road allowances and abutting lands.
- 3.5** No person shall deposit or cause to be deposited waste of any kind on any lane, street, watercourse, private or public property.
- 3.6** No person shall dispose of, or cause to be disposed of in a landfill (face) area at a Municipal Waste Disposal Site any prohibited waste material as listed in Schedule "B" to this By-law.
- 3.7** No person shall dispose of, or cause to be disposed of in the Waste Disposal Site any strictly prohibited waste material as listed in Schedule "B" to this By-law.
- 3.8** Waste materials such as recyclable waste, brush, construction waste, white goods, tires, hazardous waste including propane tanks shall only be deposited in specific sites as set out in Schedule "A".

- 3.9** No person shall dispose of waste that is not in a bag or other acceptable container except for large or bulky items and loose construction waste.
- 3.10** The Waste Disposal Attendant shall be and is hereby authorized to refuse access to a Municipal Waste Disposal Site by any person who is in contravention of any provision of this By-law, as may be reasonably determined by the Attendant. All persons refused access to or use of a Waste Disposal Site shall be referred to the Township Office by the Attendant to review the grounds of such access refusal, such grounds to be provided to that person by the Attendant.
- 3.11** The Waste Disposal Attendant shall be and is hereby authorized to open bags or containers of waste to confirm compliance with this by-law. Non-compliance shall result in waste being refused.
- 3.12** Unauthorized removal/scavenging of materials from Waste Disposal Sites shall not be permitted.
- 3.13** No persons shall dispose of permitted waste at the Municipal Waste Disposal Sites in any area except those designated for the specific type of waste which is being deposited. Non-compliance shall result in waste being refused.

Persons depositing waste in areas outside of the Waste Disposal Sites, including the access area to these sites, will be deemed to be contravening this By-law and shall be subject to the penalties stated herein.

4. Special Provisions

- 4.1** Bagged wastes for disposal at North Frontenac Waste Disposal Sites shall be securely contained within a clear/transparent bag that permit inspection for prohibited wastes as listed in Schedule B. Each clear/transparent bag may contain one opaque privacy bag of no more than 1 cubic foot (1'x1'x1') capacity. Bagged wastes containing prohibited waste materials shall not be accepted at the Waste Disposal Sites.
- 4.2** No person shall dispose of construction waste generated outside of the boundaries of the Township of North Frontenac at a Waste Disposal Site in the Township of North Frontenac. Persons disposing of construction waste may be required to present proof that the waste originated from within the Township, to the Waste Disposal Site Attendant at the time of disposal. Such proof may be a valid building permit issued by the Township; a letter of authorization issued by the Chief Building Official for the construction site from which such construction waste originated; a letter or an affidavit from the property owner indicating that the waste originated from that owner's property.

- 4.3** No person shall dispose of demolition waste at a Municipal Waste Disposal Site that is not properly separated.
- 4.4** Recyclable waste shall be those clean, washed items listed in Schedule “C” and may be deposited in the recycling containers at a designated site and shall be deposited in accordance with the directions of the Waste Disposal Site Attendant and the provisions of this by-law and Schedule “D”. No person shall dispose of recyclable wastes in a landfilling (face) area of a Municipal Waste Disposal Site.
- 4.5** Scrap metal and all white goods, except for units containing Freon or any Ozone depleting refrigerant such as refrigerators, freezers, air conditioners, shall be separated from other waste to be disposed of in the designated area at a designated site (Schedule A) and in accordance with the directions of the Site Attendant. Doors must be removed from white goods before being deposited in dump.
- 4.6** White goods containing Freon or any Ozone depleting refrigerant such as refrigerators, freezers, air conditioners or any other unit containing this substance shall not be deposited until the required tipping fee, as set out in Schedule “D” is paid to the Waste Disposal Attendant, who will in turn issue a receipt for payment.
- 4.7** Brush and clean, untreated lumber shall be deposited at a designated site (Schedule A) and in accordance with the directions of the Waste Disposal Attendant.
- 4.8** Tires may be disposed of at a designated site (Schedule A) in a designated area as determined by the Waste Disposal Attendant. No fee shall be charged to dispose of a dry and clean passenger car or light truck tire which has been removed from the rim. Tires on rims and/or soiled are subject to a tipping fee. (See Schedule D).
- 4.9** Propane tanks and allowable Household Hazardous Wastes shall be deposited at a designated site (Schedule A) in accordance with the directions of the Waste Disposal Attendant.
- 4.10** Burning operations at a Waste Disposal Site shall be in conformity with the requirements of the Ministry of Environment as well as the Waste Disposal Attendant and provisions of this by-law as set out in Schedule “E”.
- 4.11** No person shall dispose of waste, white metal or scrap metal that contains residue of gasoline, toxic chemicals, P.C.B. or other such hazardous materials in the landfilling (face) area at any Waste Disposal Site in the Township of North Frontenac.
- 4.12** Residents of the Township of North Frontenac wishing to dispose of Household Hazardous Waste shall do so at the Household Hazardous Waste Depots located at designated Waste Disposal Sites, during the times prescribed by Council. Household Hazardous Wastes are collected

by the Municipality for proper transfer and processing by a third party re-user. The types and quantities of Household Hazardous Material accepted are as listed in Schedule "F".

- 4.13 Commercial haulers shall only be permitted to dispose of garbage that has originated within the boundaries of the Township of North Frontenac. The Waste Disposal Attendant shall report any suspected contravention of this clause to the Clerk, who will provide the individual or firm with a written warning. Failure to heed the warning shall entitle the Waste Disposal Attendant to insist on being provided with written verification of the origin of the suspect garbage. Continued contravention of this Clause and/or failure to provide the above required written verification shall be deemed to be an infraction and subject to penalties as provided herein.
- 4.14 No person shall dispose of mixed waste as defined in Section 1, at any Waste Disposal Site or Transfer Station in the Township of North Frontenac.
- 4.15 Wastes properly disposed of at Waste Disposal Sites in the Township of North Frontenac are subject to fees as defined in Schedule D.

5. Penalties and Enforcement

- 5.1 Any person guilty of an infraction of any provision of this By-law shall on conviction, pay a fine or penalty not exceeding \$5,000.00, exclusive of costs, for each and every offence and such penalty shall be recoverable under the Provincial Offences Act. Upon conviction for a breach of the provisions of this By-law, the court of jurisdiction may make an order prohibiting the continuation or repetition of the offence by the offender.
- 5.2 Where a person fails or defaults to carry out any direction or action required by the Township of North Frontenac as authorized by this By-law, upon reasonable and written notice, the Township of North Frontenac may proceed to do such things or carry out such actions as directed, at the expense of the person and such expense may be recovered by the Township of North Frontenac in a like manner as taxes in accordance with the provisions of the *Municipal Act 2001* Chapter 25, Section 398 (1) and amendments thereto.
- 5.3 Should any section, clause or provision in this By-law be held by a court of competent jurisdiction to be invalid, the validity of the remainder of this By-law shall not be affected.

6. Administration

- 6.1 The Waste Disposal Attendant shall supervise all operations at the Waste Disposal Site under the direction of the Public Works Manager and shall enforce compliance with the provision of this By-law.

- 6.2** Council may by resolution grant a minor variance to provisions of this By-law in circumstances where Council in its unfettered sole discretion deems that such action is within public interest and not contrary to the intent of this By-law.
- 6.3** Council may authorize studies and programs and the preparation of policies for the maximization of the life expectancy, efficiency and effectiveness of the Municipal Waste Disposal Sites and the reduction, reuse and recycling of waste.

7. Schedules

The following schedules annexed and attached to this By-law shall form a part of this Bylaw:

BAG TAG FEES AND POLICIES

BAG TAG ITEMS

<u>ITEM</u>	<u># OF TAGS REQUIRED</u>
Bag or other acceptable container of waste equivalent to 1 standard 26"X36" garbage bag	1 tag per bag or other acceptable equivalent container of waste

Note: Oversized bags or other acceptable equivalent container of waste shall require additional tags as may be determined by the Waste Disposal Attendant or Township Official.

BAG TAG VOLUME FEES

For Household Waste typically generated from Municipal households, commercial or other similar establishments; i.e. construction/demolition waste which has not been separated or is not "clean".

Note: Fees for partial loads shall be prorated as may be determined by the Waste Disposal Attendant or Township Official. Conversely, additional fees for loads exceeding a level load shall also be imposed as may be determined by the Waste Disposal Attendant or Township Official.

FREE TAG INCENTIVE

Users shall be given a free bag tag to be used for waste being disposed of at the Waste Disposal Site in exchange for each bag or other acceptable container of sorted recyclable materials (excluding those materials as indicated in Section 1 on Schedule "C") deposited at the site's recycling depot. A free bag tag can be used on all waste subject to a "bag tag fee" or "bag tag volume fee". The "free tag program" shall be operated on an equality basis at the Waste Disposal Attendant's discretion. (i.e., amount of recyclable materials = amount of garbage to be deposited) For example, users shall not receive a free bag tag for a large or oversize bag of garbage in exchange for a small bag of recyclable materials.

The exact equivalent of bag tags to tipping fees are required, or a combination of bag tags and cash.

The Waste Disposal Attendant will not provide change back if bag tag amount exceeds the tipping fee i.e. if tipping fee is \$15.00, 8 bag tags are required or 7 bag tags and one dollar.

Schedule E to By-law #39-10

BURNING AT WASTE DISPOSAL SITES POLICY

1. Burning will be carried out only in the designated burning area when prevailing weather conditions are suitable and according to the Site's Certificate of Approval. (i.e., no high winds and the operation should be supervised).
2. Controlled burns are carried out at the following sites:
506 Waste Site
Plevna Waste Site
Mississippi Waste Site
2. Prior to burning, tires, plastics or wet materials which may cause smoke or other undesirable emissions must be segregated and not burned.
3. The Waste Disposal Attendant shall notify the municipal office prior to burning in order that office staff may notify the Ministry of Natural Resources and the appropriate fire department personnel.
4. The area of burning must be restricted in order to enable the operator to extinguish the fire immediately if necessary due to a change in weather or other conditions or if so ordered by the Ministry of Natural Resources, a designated official of a Municipal Fire Department, or the Ministry of Environment.
5. Access to the burn area by the public and/or other unauthorized personnel shall be controlled when burning is carried out.
6. Complaints from local residents regarding smoke or odour emissions will be referred to the Municipal Office. Office staff will work with the Waste Disposal Attendant to attempt to resolve the matter. If the situation cannot be resolved satisfactorily, the Waste Disposal Attendant will be ordered to stop burning.
7. The Waste Disposal Attendant shall comply with the Environmental Protection Act (R.S.O. 1990, c E.19, s.27), when burning.
8. Burning operations can only be carried out by authorized personnel.
9. A minimum of two authorized personnel shall be present for the controlled burn.

Schedule F to By-law #39-10

HAZARDOUS WASTE DISPOSAL POLICY

Household Hazardous Wastes may be deposited at the Municipal Waste Disposal Sites as identified in Schedule A. Persons wishing to use this service shall seek and follow direction from the Household Hazardous Waste Depot Attendant to ensure safe and secure handling and storage of the waste material.

Hazardous waste items permitted to be deposited at the designated Household Hazardous Waste Depots at the times and locations specified shall be provided by the Municipal Office.

The maximum quantity of household hazardous wastes that may be deposited by a person at a Household Hazardous Waste Depot should be consistent with what might be typically generated by a single family household.
