

# Help Us *Prepare,* Help Us *Respond.*

Each year, Red Cross volunteers help millions of Canadians prevent and respond to small and large-scale disasters.

Volunteers play an important role in educating communities about how to be better prepared for all emergency situations.

We are looking for dedicated, enthusiastic and compassionate volunteers to join our Disaster Management team. Join our team today and help us help those in need in our community.

To learn more about volunteering for the Canadian Red Cross in the North Frontenac area, please contact:
