

North Frontenac Public Internet Outreach

Free high-speed internet access will be available at the Cloyne and Plevna libraries for use by the public. This designated time is specifically for computer use only, and does not include use of other library materials. For use of other library materials, please visit the Kingston Frontenac Public Library – Cloyne, Plevna, and Ompah branches, during regular library hours.

Please take advantage of this service in our communities, beginning Monday, February 22nd, 2010. Residents and visitors welcome.
