5.0 AFFIDAVIT OR SWORN DECLARATION

By signing the Application you acknowledge agents, employees and or contractors of the Township will enter onto the subject lands for the purpose of assessing and inspecting the subject lands with respect to the Site Plan Application.

Affidavit or Sworn Declaration (To be signed by all parties on the Deed or the Authorized Agent)	
Declaration for the prescribed information:	
I/We _____ of the _____ of _____ in the _____ of _____	
do solemnly declare that the information contained in this application is true and that the information contained in the documents that accompany this application is true, and acknowledge that personal information and all other material collected on this form and provided to the municipality as part of this application, including all names, addresses, opinions and comments, is collected under the authority of the Planning Act, R.S.O. 1990, as amended, will be used to assist in making a decision on this matter and will be made available for public disclosure. Please be aware the information collected in this Application will be provided in the applicable Agenda and posted on the Township's website.	
Sworn (or declared) before me at the _____ of _____ in the _____ of _____ this _____ day of _____ 20____.	
_____ Commissioner of Oaths (include stamp below)	_____ Signature of Applicant(s) or Authorized Agent
Note: Do not sign until in the presence of the Commissioner of Oaths. You will be required to provide photo identification (i.e. driver's license).	

Authorization

If the Owner/Applicant wishes to appoint an Authorized Agent to act on his/her behalf for this Planning Application process, written authorization of this appointment must be noted below by each party listed on the Deed, and signed before a Commissioner of Oaths.

I _____ of the _____ of _____
_____ in the _____ of _____
am the owner of the land that is the subject of this application and I authorize
_____ to act on my behalf.

Sworn (or declared) before me at the _____ of _____
_____ in the _____ of _____
this _____ day of _____ 20_____.

Commissioner of Oaths

Signature of Owner

AGREEMENT TO INDEMNIFY

THIS AGREEMENT MADE THIS _____, DAY OF _____ 20____

BETWEEN: _____

Hereinafter referred to as the "Applicant"
AND
THE CORPORATION OF THE TOWNSHIP OF NORTH FRONTENAC
Hereinafter referred to as "the Municipality"

THE Applicant hereby agrees to indemnify and save harmless The Corporation of the Township of North Frontenac ("the Municipality") from all costs and expenses that the Municipality may incur in connection with the processing of the Applicant's application being file number _____ for approval under the *Planning Act*.

Without limiting the foregoing, such costs and expenses will include all legal, engineering, planning, advertising and consulting fees and charges incurred or payable by the Municipality to process the application together with all costs and expenses arising from or incurred in connection with the Municipality being required, or requested by the Applicant, to appear at the hearing of any appeal to the Local Planning Appeal Tribunal from any decision of the Council or Committee of Adjustments, as the case may be, approving the Applicant's application.

The Applicant acknowledges and agrees that if any amount owing to the Municipality in respect of the application is not paid when due, the Municipality will not be required to process or to continue processing the application, or to appear before the Local Planning Appeal Tribunal in support of a decision approving the application until the amount has been paid in full.

The Applicant further acknowledges and agrees that any amount owing by the Applicant to the Municipality is, when due, a debt of the Applicant and the Municipality may, in addition to any other remedies available to it at law, recover the amount owing together with interest from the Applicant by action.

IN WITNESS WHEREOF THE PARTIES HERETO have hereunto set their hands and seals as of the day and year first written above.

SITE PLAN APPLICATION GUIDE

SUPPORTING INFORMATION

The following may be required to be submitted to the Clerk along with the application form:

- i) Application fee payable to the Township of North Frontenac
- ii) Copy of the Deed for the Property
- iii) Property Survey Plan
- iv) Site Plan (see attached examples and requirements)
- v) Landscape Plan
- vi) Site Servicing Plan
- vii) Grading and Drainage Plan
- viii) Site Lighting Plan (Commercial and Industrial only)
- ix) Studies/Approvals required by Municipality
- x) Agency Approvals i.e. MOE, MTO, MNR, DFO, CA;
- xi) Certificate of Insurance;
- xii) Financial Security

The list of required information to be provided with the Applications will be determined during the Pre-Consultation Meeting with the Contract Planner. Additional information, depending on the nature of the development, may be required prior to entering into a Site Plan Agreement with the Municipality.

1.0 Drawing Requirements

This section of the guide sets out the detail which should appear on each drawing submitted in support of an application for site plan approval. Please use the "check boxes" when preparing drawings to ensure that the Township's drawing requirements are fulfilled. Please note that this is a standard list which covers drawings prepared in conjunction with most forms of development. Additional detail may be required for certain projects. The Township reserves the right to request additional drawing detail where it is deemed necessary. All drawings submitted for site plan approval must be folded to a size not larger than 9"x12".

1.1 Information – Common to All Drawings

The information listed below **should appear on all drawings** except the Survey Plan, Floor Plan and Elevations. (Please refer to the specific sub-headings for lists of data to appear on these drawings).

- a) Border, legend containing pertinent project information, the firm(s) responsible for preparation of the drawing, date, scale, job reference number, and a revision block;
- b) Key plan, north arrow, and bar scale;
- c) Concession and lot number, registered plan number, block and lot reference and/or municipal address wherever applicable;
- d) Property lines including bearings and distances of the subject property;
- e) Dimensional reference to the nearest intersection of public roads;
- f) Existing and/or proposed street widening and 0.3 metre reserves;
- g) Easements or rights-of-way on or adjacent to the site;

- h) Abutting road right-of-way width and centre lines including any adjacent municipal installations including, but not limited to, traffic islands, utility poles, fire hydrants, catch basins, manholes, sidewalks, transformers, signs, etc.;
 - i) Proposed name(s) of private road(s);
 - j) Existing and proposed driveways and existing accesses and driveways of adjacent properties including those on properties on the opposite side of the road to that of the subject site;
 - k) Existing watercourses, swale, culvert, retaining wall, embankment, catch basin, and other man-made or natural features on or adjacent to the site;
 - l) Location and size of existing trees and shrubs;
 - m) Existing contours or spot elevations extending a minimum of five (5) metres beyond the property boundary;
 - n) Buildings or structures on adjacent lots and mutual features such as parking areas, etc. within five (5) metres of the subject property boundary;
 - o) Location of existing and proposed buildings and accessory facilities, vehicular and pedestrian entrances, projections, canopies, ground signs, etc.;
 - p) Layout of parking spaces, aisles, and driveways;
 - q) Layout of pedestrian accesses, sidewalks, courts, and entrances;
 - r) Location and form of garbage disposal facilities;
 - s) Normal water level and established floodplain boundary of any adjacent rivers or watercourses;
 - t) Adjacent property owned or controlled by the applicant;
 - u) Proposed phasing of the development;
 - v) Stamps, signature, and date by a member-in-good-standing of the OAA, OALA, APEO, OLS, etc., as may be required.
- a) a current property survey or registered plan, certified and dated by an Ontario Land Surveyor, must accompany the submission for Site Plan Approval.

2.1 Survey Plan

3.1 Site Plan

- a) Dimensions and height of all existing and proposed buildings, structures, and accessory facilities;
- b) Dimension of front, side, and rear yards and the distance between each building on the site and between building on the site and between buildings on the site abutting property lines measured perpendicular from the property line to the nearest point on the buildings;
- c) Layout of parking and loading spaces, aisles, driveways, curbs, ramps, and lay-bys, etc. showing dimensions, curve radii and proposed materials, parking for the handicapped, vehicular circulation routes (show whether one or two way), and fire routes;
- d) Development Data legend showing gross site area, net site area (gross area minus road widening), gross building floor area, building coverage as a percentage of gross site area, landscaped area in square metres, and as a percentage of gross site area, parking spaces required and provided, density and breakdown or different land uses including unit sizes, maximum building height, etc.;
- e) Label general areas proposed to be landscaped such as location of berms, areas to be planted, sodded or seeded, walkways, etc.;
- f) Location, height, and type of existing and proposed fences or walls;
- g) Location and design of garbage disposal facilities;
- h) Proposed staging of the development of the property;
- i) Location, height, and direction of exterior lighting;
- j) Approximate location and height of buildings or structures on adjacent sites;
- k) Location and extent of exterior ground floor privacy areas (i.e. patios, decks, porches, etc.);
- l) Proposed snow storage areas;
- m) Location, height, and design detail of proposed free standing signs;

- n) Location of main and secondary entrances, emergency exits, overhead doors, etc.;
- o) Location of 1.2 metre (4 feet) wide easements to ensure that the **owners** of interior units of any block of townhomes have a right of access across abutting units' yards for maintenance access to their units.

3.2 Landscape Plan

- a) Existing trees, accurately located in plan and clearly specified as to its type, caliper, and condition. Existing trees to be removed must be indicated with a broken line;
- b) Proposed planting plan, using a key system to indicate the full botanical name, common name, quantity, caliper, height, spread, condition, and special remarks;
- c) Edges of mass planting beds;
- d) Location and dimensions of natural and man-made features such as berms, catch basins, swales, ponds, ditches, and storm water retention areas;
- e) Location, dimensions, and proposed surface materials for walkways, courts, entrances, walls, and fences;
- f) Location (site lighting plan) of exterior site lighting;
- g) Proposed snow storage and garbage storage areas;
- h) Installation details for proposed tree planting, shrub planting, shrub spacing, groundcover, fence, wall and screen details, walkways, ramps, pre-cast paving stone installation, and specialty patterns or treatments, etc.

3.3 Elevations

- a) Border, legend containing pertinent project information, the firm(s) responsible for the preparation of the plan, date, and scale;
- b) Include four main exterior elevations of the building(s) indicating the following:
 - i. Design concept of the proposed building(s);
 - ii. Details of public areas and special features;

- iii. Entrances, doors, arcades, etc.;
- iv. Recesses, projections, and special features;
- v. Proposed exterior finishing materials;
- vi. Finished grade, floor, and roof elevations;
- vii. Proposed signs, lights, equipment, and equipment housing;
- viii. Outline elevations of adjacent buildings drawn in correct relationship to the proposal.

3.4 Floor Plan(s)

- a) Border, legend containing pertinent project information, the firm(s) responsible for the preparation of the plan, date, and scale;
- b) Show general layout, proposed uses and dimensions of the interior space;

3.5 Site Servicing Plan

- a) Location, size, length, material, proposed grade, class of pipe, and invert elevations at all connections of all storm and sanitary sewer pipes;
- b) Location, size, and grade of private sanitary and storm drain connections;
- c) Invert, finish grade elevation, and numbers for all manholes;
- d) Where utilities cross, show the obvert of the lower pipe and the invert of the upper pipe;
- e) Adequate easements must be given for protection;
- f) Manholes, catch basin manholes, and catch basins;
- g) Ditches and swales must show slope of ditch and side slopes;
- h) Location, size, and material of water mains, and firefighting siamese connections;
- i) Hydro transformer vaults and access routes or pads;
- j) Location, size, and elevation of all existing underground utility lines on or adjacent to the site;
- k) Existing centre line of road and boulevard grades;

- l) Insulation on all sewers with less than 1.5 metres of cover.

3.6 Grading and Drainage Plan

- a) Existing and proposed contours or spot elevations throughout the site, along the property line, and on abutting properties within 5 metres of the subject property boundary;
- b) Benchmarks;
- c) Elevations of existing and proposed catch basins, manholes, and culverts on site, within adjacent road allowances and on abutting properties within 5 metres of the subject property boundary;
- d) Proposed method of land drainage and stormwater retention/disposal methods including soakways, ponding areas, and intended direction of surface flow. Include details as required;
- e) Proposed ponding elevations of both the 5 and 100 year ponding areas;
- f) Location and detail of surface water outlets; [minimum culvert size 0.45 m (18 inches)]
- g) Location and detail of swales (minimum grade 1.5%);
- h) Direction of surface flow (arrows showing the percent of slope);
- i) Proposed material, elevations, and grading of driveways, ramps, walkways, and curbs;
- j) Cross-sectional details of curbs and pavement including asphalt, granular, base and sub-grade;
- k) Location and extent of proposed curb and road cuts;
- l) Construction details of proposed retaining walls or similar features;
- m) Spot elevations at top and bottom of curbs, breaks in slopes, high points, etc.;
- n) Location and finished elevation of catch basins and manholes;
- o) Features (trees, planting beds, berms, hard surface areas, rock outcrops, etc.) that are to be preserved and that are proposed;

- p) Finished ground elevation (proposed) at the building line;
- q) Finished first floor elevation of all buildings on site;
- r) Top of foundation and underside of footing elevations;

- b) Writing layout from hydro service to all fixtures;
- c) Fixture details (i.e. sectional view specifying manufacturer, materials, etc.);
- d) Illumination pattern and footprint for proposed fixture layout (may be required, check with Department Staff).

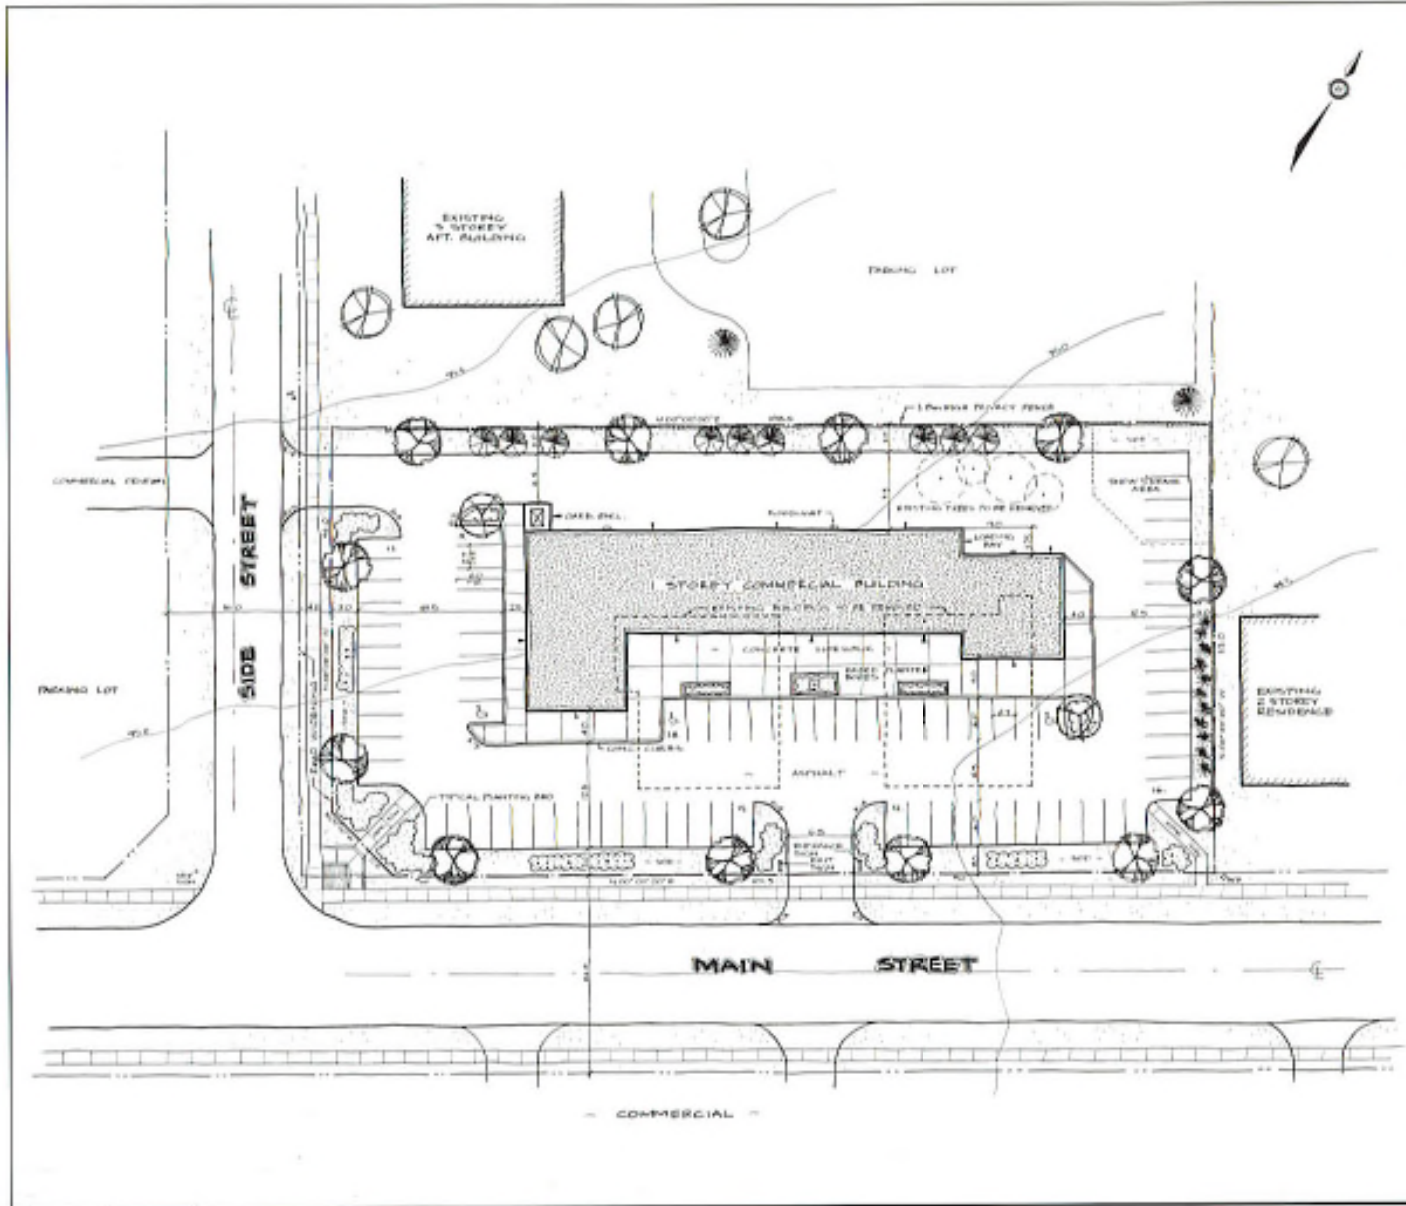

**3.7 Composite Utility Plan
(Residential Development Only)**

- a) Correct lotting as shown on the registered plan or property survey;
- b) Location of sanitary sewers, storm sewers, and watermains;
- c) Show driveways that require clearances from transformers and fire hydrants;
- d) Utility service drop locations;
- e) Sewer lateral service locations;
- f) Streets, dimensioned for both roadway and utilities;
- g) Typical utility road cross-section;
- h) Streetlighting system (if applicable);
- i) Street furniture (i.e. pedestals);
- j) Canada Post mail boxes;
- k) Closest location which hard and soft landscaping may be placed in relation to street furniture;
- l) Utilities sharing the same trench are to be indicated on the drawing as a single line with the appropriate initial to detail which utilities reside in the trench (i.e. H=Hydro).

3.8 Site Lighting Plan (Commercial and Industrial Developments Only)

A Site Lighting Plan may be required for commercial and industrial developments. The Public Works Department should be contacted regarding special lighting design requirements within municipal rights-of-way. The following information must be shown on the Lighting Plan.

- a) Location, height, and direction of exterior lighting;
