BY-LAW NO. 52-17

SCHEDULE "A"

North Frontenac Re-Use Exchange Facility Operational Policy

The Re-Use Exchange Facility is operated by a group of volunteers appointed by the Public Works Manager (PWM) who are dedicated to the diversion of re-useable items from the landfill.

The group receives donated re-useable goods from residents of North Frontenac Township. The volunteers sort and store the re-useable items and give them away free to members of the community who can make use of them.

At this time, residents who do not reside in North Frontenac Township are not permitted to leave items at the Re-Use Exchange Facility, but are more than welcome to shop at the center.

The Re-Use Exchange Facility goals are:

1. To divert as many re-usable goods as possible from the landfill in order to extend the life of Township waste sites;
2. To serve as many people as possible who can make use of re-used goods
3. To promote the practice of the 'three Rs': Reduce, Re-use, Recycle.

In support of these goals, we ask that people observe the following rules:

- The Re-Use volunteers reserve the right to limit the quantities taken from the Re-Use Exchange Facility. Please do not take more than you need for your personal use.
- Please note that our space is limited and the volunteers on duty have the right to limit quantities and/or types of donations.
- In order to record the volume of goods diverted from the landfill, donated items must be sorted and processed by the Re-Use volunteers before being placed in the Re-Use Exchange Facility.

Generally, the Re-Use Exchange Facility will only be open during regular waste site hours with a schedule set out by the PWM and listed on the Township's website and posted at each landfill site. In the event that there are no volunteers on duty, the Re-Use Exchange Facility will be closed. Items cannot be left at the Re-Use Exchange Facility during closed hours.

- The reselling of items from the Re-Use Exchange Facility is strictly prohibited. This is a volunteer operation. Volunteers do not want to donate their time for others to make a financial profit.
- Any customer in violation of the rules within this By-Law will be subject to being banned from the North Frontenac Re-Use Exchange Facility for an appropriate amount of time reflective of the violation and to be determined by the PWM in consultation with the Chief Administrative Officer (CAO).

Your cooperation is appreciated. Please report any problems at the Re-Use Exchange Facility to the volunteer on duty.
