# North Frontenac COVID-19 Update

Friday, June 5, 2020

Mayor Higgins, Council, the Community Control Group (CCG) and the Township wishes to thank everyone for their cooperation during the COVID-19 pandemic. Our area continues to have a low transmission rate which is a testament to all involved in keeping the community safe. All residents both Permanent and Seasonal are practicing physical distancing and staying on their properties as much as possible, to reduce the impact to our health care system, to protect the vulnerable and our front line health care workers – thank you very much for doing this.

Effective Friday, June 5, 2020 at 12:01 a.m. hotels, motels, lodges, cabins, cottages and other shared rental accommodation including student residences, except for any pools, fitness centres, meeting rooms and other recreational facilities that may be part of the operations of these businesses are permitted to resume operations. Owners should consult [health and safety guidelines related to the tourism and hospitality](#) sector when considering how they can re-open their doors to guests.

Ongoing virtual meetings and discussions continue between Kingston, Frontenac, Lennox & Addington (KFL&A) Public Health, KFL&A Mayors, our CCG and other Agencies about the Mayor's Emergency Declaration in place. It has been decided to keep the Declaration in place and it will be reviewed on an ongoing basis by the CCG.

Please continue to review the North Frontenac's COVID-19 [Reference Sheet](#) which will be updated as required to help answer any questions you may have with respect to the Pandemic as it continues to change rapidly. The sheet is posted on the Township's Website.

The CCG continues to monitor the COVID-19 situation and provide updates on the Township's [Website](#) as soon as possible following any changes.

Please keep up the great work in helping to slow the spread of COVID-19, we will all get through this together.
