North Frontenac Amended Waste Site Hours and Programs

May 15, 2020

The Municipality continues to take precautions to help limit the spread of the COVID-19 virus and support physical distancing.

All Waste Sites will remain on standard Winter Hours until June 15th, 2020 (not May 15th). The Winter hours are available on the [Township Website](#).

Municipal Hazardous and Special Waste Depot Programs located at the Plevna, Road 506 and Mississippi Waste Sites - will remain closed until further notice. At this time, we ask residents to continue to safely store all hazardous materials until the program is re-opened.

The Re-Use Centre located at the Road 506 Waste Site - will also remain closed until further notice. At this time, we ask residents to store donations until such time as we can safely open the Centre for the season.

The Waste Disposal Sites will continue to operate in accordance with the safety protocols previously announced - including physical distancing of 2m (6') minimum, vehicle access as directed by the Attendant, and only one person permitted to exit the vehicle to deposit recyclables or waste.

Assessment of the situation will continue on an ongoing basis and the Township will provide updates accordingly. Thank you for your ongoing support.

If you have any questions regarding the Municipal Hazardous and Special Waste Depot and Re-Use Centre Closures please contact

Darwyn Sproule, P.Eng., Public Works Manager at (613) 479-2231 Ext. 230 of publicworks@northfrontenac.ca.
