SALE AND TRANSFER OF LOTS AND PLOTS

1. No person shall sell interments rights unless that person does so on behalf of the Municipality in a licensed Cemetery.
2. Interment Rights in Lots and Plots may be purchased from the Municipality at the rates filed with the Ministry and according to the plans approved by the Ministry.

3. Interments Rights Holders of Lots and Plots acquire only the right and privilege of burial of the dead and of constructing Monuments and placing Markers, subject to the Cemetery By-law in force at the time.
4. Payments for Lots and Plots shall be made at the Municipal Office.
5. All prices for Cemetery Lots, Plots and services are set out in the most recent Tariff of Fees that has been filed with the Ministry; the prices include the applicable portion for deposit to the Care and Maintenance Fund. These fees may be amended from time to time by Resolution of Council, subject to the approval of the Registrar.
6. The Municipality shall keep such records and accounts as are necessary for properly recording all matters, acts, interments, Interment Rights Certificates and matter pertaining to the Cemetery as may be prescribed.
7. The Municipality shall keep such records and accounts as are necessary for properly recording and exhibiting all financial matters pertaining to the Cemetery as may be prescribed.
8. The Municipality shall maintain and invest in a trust account the Care and Maintenance Fund in accordance with the provisions and regulations of the Act. No capital portion shall be withdrawn by the Municipality.
9. The Municipality shall provide each Interment Rights Holder at the time of the sale with a:
 - a) copy of the Contract.
 - b) copy of the Cemetery By-law.
 - c) Certificate of Interment Rights.
10. A Certificate of Interment Rights shall include the following:
 - a) the name of the Interment Rights holder.
 - b) the location of the Lot or Plot.
 - c) the date on which the Interment Rights are purchased.
 - d) the amount deposited in the Care and Maintenance Fund for the Interment Rights.
11. To ensure the correctness of records of ownership and interments, no transfer of any Interment Rights or any interest therein shall be binding upon the Municipality until Notice is given in writing to the Municipality specifying the name and address of the proposed transferee and date of transfer, and such particulars have been entered in the records for that purpose, as attached in Schedule "D".
12. In cases of transmission of ownership by Will or Bequest of Interment Rights the Municipality shall require a certified copy of the document.
13. Interment Rights Holders shall not permit interments to be made in their Lots or Plots for remuneration and shall not sell their Lots or Plots for remuneration.

14. An Interment Rights Holder may require by written demand the Municipality to repurchase the rights at any time before they are used. The amount deposited into the Care and Maintenance Fund will not be reimbursed.
15. The amount to be reimbursed will be the market value of the interment rights on the day the Municipality receives written notice of cancellation of the contract less the amount deposited in the Care and Maintenance Fund subject to an Administration Fee as noted in Schedule B.
16. In accordance with the Act the Municipality shall not reimburse the Interment Rights for more than four Lots held by the same Interment Rights Holder.
17. No refund shall be made for any Lot or Plot if any Interment Rights have been exercised.
18. The Contract shall be deemed cancelled if the Municipality has reasonable grounds to believe that the holder of the Certificate of Interment Rights has or would have reached 120 years of age and if the Municipality is unable, making reasonable efforts to determine if the beneficiary is alive.
19. Interment Rights Holders may install corner posts. These must be installed in the presence of a Municipal Representative. The Markers must be flush with the ground.
20. The Municipality shall require a written request for permission for any Interment other than the Interment Rights Holder for each Lot or Plot. In the event the Interment Rights Holder is deceased an Authorization for Interment, as attached as Schedule "C" shall be completed.

INTERMENTS AND DISINTERMENTS

1. No interments shall take place unless the purchase price of the Interment Rights has been paid in full.
2. Notice of each Interment to be made shall be given to the Municipality at least one business day (if possible) previous thereto. Information to be provided with such Notices shall be the name of the person to be interred; date of death; Lot or Plot location; name and address of deceased's nearest relative or designated contact person; the name of the Funeral Director and if the remains are to be cremated, the size of the container holding the cremated remains.
3. It shall be the responsibility of the deceased's family or the Funeral Director to arrange and pay for the grave opening. The Municipality will provide the family or Funeral Director with the name of the individual responsible for opening the grave. Grave openers shall adhere to the following regulations:
 - a) Each grave shall be of sufficient depth to give a covering of at least two feet of earth over the outside cover.
 - b) Not more than one casket interment shall be made in a Lot. One casket burial and two cremation interments may be made in a Lot. No more than four cremation interments shall be made in a Lot.

- c) Planks are to be laid on Lots, Plots and paths in which machinery will be moved and any ruts made shall be repaired by the Grave Opener at their expense.
 - d) To treat the Cemetery with respect.
4. The Municipality shall not be liable for any damages or costs of correction which have resulted from unauthorized burials.
 5. No Lot or Plot shall be opened or closed by any person not in the employ or under the direction of the Municipality.
 6. A Burial Permit or Certificate of Cremation shall be submitted to the Municipal office no later than ten business days following the interment.
 7. Bodies of any lower animal shall not be placed in any Lot or Plot.
 8. Disinterment shall not be made without the written consent of the local Medical Officer of Health, the Municipality, and the Interment Rights Holder or Authorized Person(s).
 9. No Interments shall be made between December 1 and March 31, except in the case where the deceased has died from a contagious disease. Arrangements for the remains of the deceased are the responsibility of the deceased's family or Funeral Director.

CARE OF LOTS AND PLOTS

1. Trees or shrubs are prohibited from being placed in the cemeteries.
2. General Caretaking of the cemeteries shall be provided by the Municipality.
3. Plants, artificial or real, shall be placed in proper receptacles attached to Monuments. Planting of borders around Lots or Plots is prohibited.
4. In order to preserve the proper appearance of the Cemetery, plants, old flower containers, artificial flowers, and loose articles not cared for shall be removed from the Cemetery property.
5. The Municipality shall not be responsible for loss or damage to any articles upon any Lot, Plot or Grave.
6. No unauthorized person shall sod or move corner posts or grave Markers.
7. The construction or installation of borders, fences, railings, walls or cut stone copings in or around Lots or Plots is prohibited.
8. Costs incurred in the removal of any unauthorized foliage, borders, fences, railings, walls or cut stone copings undertaken by the Municipality shall be at the expense of the Interment Rights Holder.

9. If a Monument presents a risk to public safety due to its instability, the Municipality shall do whatever is necessary by way of repairing, resetting or laying down the Monument so as to remove the risk.

MONUMENTS AND MARKERS

1. The municipality must be advised prior to any construction work taking place in the cemetery. The municipality will not be liable for any damages or costs of correction or restoration for any markers which have not been located in accordance with Municipality's instructions. Any person or persons, who damages any plot, marker or other structure or otherwise does any injury to the cemetery, shall be personally responsible for the damage or injury, and in addition thereto, his employer shall be liable therefore.
2. All markers or monuments installed in the Cemetery shall have the proper amount of money, as set out in the Tariff of Fees, deposited in the care and maintenance fund.
3. No inscriptions shall be placed on any Marker or Monument which is not in keeping with the dignity and decorum of the Cemetery.
4. Minor scraping of the base portion of the upright Monuments due to the mowing operation is considered by the Municipality to be normal wear.
5. The Municipality shall take reasonable precautions to protect the property of the Interment Rights Holder, but it assumes no liability for the loss of or damage to, any Monument or part thereto except where such damage or loss is due to its negligence.
6. The maximum length of any Foundation shall be confined to within eight inches from either side of the width of the Lot or Plot and shall not exceed a width of sixteen inches.
7. No Monument shall be thick enough in the base to interfere with any future interments.
8. Not more than one Monument shall be erected on any one Lot, and this must be placed at the end of the Lot reserved for the Monument, unless adjoining Lots are owned by the same Interment Rights Holder and both sides of the Monument can be used.
9. The minimum thickness of a Monument shall be six inches. Should a Monument exceed three feet in overall height then the minimum thickness of a Monument shall be eight inches.
10. The Die Stone must be installed on a granite base. The height of the Monument Base shall not exceed twelve inches with a minimum of eight inches. The surface of the Monument Base must be both longer and wider than the Die Stone and in proper proportion to the Die Stone to be becoming to the Cemetery.
11. The Foundation shall be built in the designated space and in the proper dimensions of the Monument base. Foundations will not be less than 54 inches deep and they will be installed at the Municipality's direction.

12. The Foundation surface shall be flush with the surrounding ground level and shall provide a level surface free of defects and smoothly trowelled.
13. All debris from the installation shall be removed and the Lot or Plot raked after the installation of a Foundation, at the Monument Company's expense.
14. No book or pillow Markers shall be less than six inches in height. Such installations shall be placed on a precast pad or on a six inch granite base.
15. Markers shall not exceed 60% of the Lot or Plot width and shall not be so deep as to interfere with future interments.
16. One Marker (footstone) may be placed on a Lot. The Marker shall be placed at the end opposite the Monument.
17. The minimum thickness of all Markers shall not be less than four inches and the bottom shall be true and level.

ACCESS

1. The gates permitting vehicle access shall be closed, except during an Interment.
2. No unauthorized vehicles shall be permitted within the boundaries of the Cemetery.
3. No All Terrain Vehicles (ATV) or Snowmobiles are permitted within the boundaries of the Cemetery.
4. Children under the age of sixteen shall be accompanied by an adult.
5. Pets shall not be permitted within the boundaries of the Cemetery.

WAIVER OF LIABILITY

The Municipality will not be liable for any damages which have occurred and/or costs of correction which involve burials which have taken place prior to the Municipality's assumption of any Cemetery.
